Why and What is the JA's Bowl for Education?

JA's Bowl for Education is a fun team building event that is designed to raise funds for Junior Achievement. Proceeds from this event is critical for Junior Achievement to continue providing life changing programs to students in our community. These programs are delivered at no cost to students. You can make a difference in the lives of these students by participating in this world-class event!

JA's bowl for education is more than just a one-day event, it's an entire season! As employees join together in this fundraising project, they will achieve individual and team goals, but most importantly they are supporting the students in the Ocoee Region (Bradley, McMinn, Meigs, Monroe & Polk).

- Team Building occurs naturally as team members develop and implement strategies to solicit donations on behalf of JA.
 - The bowlers/teams can challenge other departments or have contests, like chili cook offs.
 - Volunteering in the community and supporting community events helps your employees become better professionals by enhancing their business skills and leadership abilities. Your company becomes stronger as you strengthen your employees.

- Your employees will make a direct impact on their community and on students in the Ocoee Region. With every \$58.00 your employees raise; they will sponsor a Junior Achievement program for one student.

- Our programs work in partnership with JA, local businesses and schools. Junior Achievement volunteers bring their real-life experience into the classroom.
- Your fundraising campaign culminates with your bowling event. Bowlers receive one hour of bowling, shoe rental, event t-shirt, a chance at great door prizes and loads of fun.
- Non-bowlers are welcome to fundraise as part of your campaign and attend the event as spectators and the cheering section.

How it works?

Register your company or school through JA directly. As a Team Coordinator choose 5 bowlers to make up your team(s). (\$30 fee for additional bowlers)

Anyone can bowl! Employees, friends & family can make up a team(s).

- **The individual goal of \$150 helps give three students confidence to follow their dreams.**
- **The team goal of \$750 helps an entire classroom realizes their potential.**

**All bowlers who raise \$150+ will be entered into the grand prize drawing!*
