Why Bowl for Junior Achievement?

Junior Achievement of the Ocoee Region educates young people in the areas of financial literacy, work readiness & entrepreneurship, and inspires them to explore and create opportunities, to believe in their potential, and to make good choices for their future.

JA's bowl for education is more than just a one-day event. It's an entire season! The bowl for education allows JA to present classes throughout the year in our 5 counties. So mark your calendar now and start getting your crews

ready to **SADDLE UP and JOIN the JA "WILD WEST" ROUND UP!**

What is the JA's "WILD WEST" bowl for education?

20 years ago Junior Achievement of Ocoee Region began hosting this fun and competitive peer-to-peer fundraiser. This event is not only crucial for the success of our mission, but it is also a way for our partnering companies to help make our programs available to schools at no cost. As a participant, you'll get to bond with your colleagues while cheering them and raising life-changing dollars. Contributions from the JA Bowl for Education go directly towards JA's K-12 educational programs, which are proven to change the lives of our students.

How it works?

Register your company or school through JA directly. As a Team Coordinator choose **5** bowlers to make up your team(s). (\$30 fee for additional bowlers)

Anyone can bowl! Employees, friends & family can make up a team(s).

- The individual goal of \$150 helps give four students confidence to follow their dreams.
- The team goal of \$750 helps an entire classroom realize their potential.

**All bowlers who raise \$150+ will be entered into an exciting drawing to win great prizes!*
